NATURAL UNDER EYE SERUM OIL

100% All Natural Formulation

- Composition of Natural Under Eye Serum Oil is a comprehensive program for renewing the skin surrounding the eyes. Combination of natural healing oils, natural active ingredients, and herbal extracts is the powerful weapon against fine lines, puffiness, firmness, and wrinkles.
- Natural healing oils contain biological active ingredients such as essential oil, monounsaturated fatty acids, omega 3, omega 6, gamma linolenic acid, vitamins A and E, coenzyme Q10, polyphenols, and etc. which promote faster healing of skin disorders due to quicker absorption and prolonged duration.
- Natural Under Eye Serum Oil contains 100% natural ingredients such as surfactants, preservations, antioxidants, natural oils, and biological active ingredients, which provide efficient transports biological active ingredients through the skin. Mixture of the natural surfactants provide maximum of healing efficiency of Natural Under Eye Serum Oil due to the synergetic effects between the active ingredients. **Without** the natural surfactants (with the lowermost concentrations which are not labeled), efficiency of transdermal delivery system for natural active ingredients through the skin and, as a result, biological activity of Natural Under Eye Serum Oil is **low**.

Biological active ingredients of natural under eye serum oil:

- enhance penetration for topical skin products
- stimulate epidermal proliferate activity
- reduce recent keloid scarring
- stimulate skin immune system
- promote rejuvenation
- stimulate the contraction of collagen fiber
- improve peripheral blood circulation
- activate dermal enzymes
- promote faster healing due to quicker absorption and prolonged duration.

Purpose

Natural Under Eye Serum Oil helps relieve the appearance of fine lines and wrinkles. It also nurtures, moisturizes, and renews the skin, reducing puffiness, increasing firmness, and leaving skin soothed, smoothed, and younger looking.

Directions

Shake well. Pat a small amount to cleansed areas surrounding the eyes morning and bedtime daily.
