

NATURE'S PHARMA
Healing Skincare

**NATURAL HEALING OIL (with Vitamins C, A, & E)
WILL SIGNIFICANTLY HASTEN THE HEALING AND
RENEWING PROCESSES**

• **Natural Healing Oil (with Vitamins C, A, and E) is great a weapon against · inflammation · protection against radiation · irritation · wounds · burns · skin disorders and aging spots · plaque spots and the aging signs such as · wrinkles · fine lines · puffiness · firmness and crows' feet.**

• Composition of Natural Healing Oil (NHO) is a comprehensive program for the treatment and relief of skin disorders, inflammation, irritation, wounds, and burns. The component of the composition work synergistically to relieve the pain, discomfort, and swelling associated with wounds, burns, inflammations, and skin disorders. Combination of natural healing oils, natural active ingredients, and herbal extracts is a powerful weapon against inflammations, radiation, irritations, bacteria, and virus.

• NHO contains biological active ingredients such as essential oil, monounsaturated fatty acids, omega 3, omega 6, gamma linolenic acid, vitamin E, coenzyme Q10, polyphenols, and etc. which promote faster healing of skin disorders, wound, burns, inflammation, and irritations due to quicker absorption and prolonged duration.

• In many cases, antibiotics and hormone therapy are the only recourse, but with the use of NHO positive effects are apparent usually within two and/or three days of the start treatment.

• NHO contains 100% natural ingredients such as surfactants, preservations, antioxidants, natural oils, and biological active ingredients, which provide efficient transports biological active ingredients through the skin. **Without** the natural surfactants (with the lowermost concentrations which are not labeled), efficiency of transdermal delivery system for natural active ingredients through the skin and, as a result, biological activity of NHO is **low**.

• NHO is a sterile product that is safe for use on inflammation areas.

• NHO contains 100% all natural surfactants, herbal extracts, and natural healing oils having high healing efficiency without adverse side effects.

• Introducing a new topical formulation created just for NHO with any kind of the skin including dry and sensitive skin.

• NHO control is most effective when only a very small amount.

• After one and/or two days, you will see significant healing and clearing your face, neck, and body.

Unique properties of NHO:

- reduce protrusion of tissue, itching, swelling, discomfort, pain, and inflammation
- promote and improve the blood flow to the affected area
- protect again radiation
- inhibit thrombus formation
- reduce bleeding and clotting
- increase anti-inflammation, anti-bacterial, and antiviral activities
- stimulate immune system
- improve peripheral blood circulation
- stimulate dermal penetration of the active ingredients through the skin activate dermal enzymes
- promote faster healing due to quicker absorption and prolonged duration.
